WORK EXPERIENCE

WOLFOX SERVICES PVT.LTD

Trainee Frontend Developer

Kolhapur, Maharashtra

Jun 2023 – July 2023

- During this internship, I created visually appealing and interactive user interface with HTML, CSS and JavaScript along with the framework of Bootstrap which simplifies the process of web development by offering ready-to-use elements that can be easily adapted to create modern and responsive websites.

PLATO MINDS SERVICES

Trainee Web Developer

Kolhapur, Maharashtra

Jun 2024 – Sep 2024

- During my Web Development internship, I played a key role in several projects, working extensively with PHP, MySQL, HTML, CSS, and JavaScript. I developed dynamic web pages, handled form submissions, and created responsive layouts that ensured cross-browser compatibility. Additionally, I designed and optimized database schemas, executed queries, and managed data using MySQL. I also set up local development environments using XAMPP, enabling thorough local testing before deployment. This hands-on experience solidified my skills and deepened my understanding of web development essentials.
